

The Bi-lingual Rule Set for *Roads to the Kingdom*

中英对照规则书： *王国之路*

I. Goals / 游戏目标

The result of the game is determined at the end of Turn 10.
游戏结局在游戏的第十回合结束后结算。

1. There are two types of *Major Victory* / 两种全面胜利条件

Rise to the Throne / 擢升为王：

KR, CR and AR (Reputation) > 7 / 三种声望大于 7

Eternal Rule / 永恒统治：

PO, MS and AL (Resource) > 7 / 三种资源大于 7

2. There are three more ways of *Minor Victory* / 三种普通胜利条件

Loyalty / 忠诚： AL & KR > 7

You proved your loyalty to the King. His shelter is your reward.

Devout / 虔诚： PO & CR > 7

Farmers and priests remember you as a saint.

Power / 力量： MS & AR > 7

The noble houses submit to your power.

II. Stats Definition / 数值定义

1. Resource / 属性

PO – Public Opinion, 民意

MS – Military Strength, 军事力量

AL – Authority Level, 权威力

* They +1 / -1 to return to the balance position every turn.

它们每回合向平衡位置偏移 1 点

Gold – accumulating throughout the game

金币 – 在整局游戏中持续积累

2. Reputation / 声望

KR – The King, 王室

CR – The Church, 教会

AR – The Aristocrats, 大贵族

* They +1 / -1 to return to the balance position every turn.
它们每回合向平衡位置偏移 1 点

3. Temporary Stats Within a Single Turn / 单个回合内生效的临时资源

Cleared at the end of every turn / 每回合结束时清零：

Majesty – for buying / deleting cards during Reveal phase
威望 – 用于在展示阶段购买 / 删除卡牌

Fight – for absorbing the Military Strength costs during Missions
战斗力 – 用于在任务阶段抵消军事力量消耗

Return to maximum at the end of every turn / 每回合结束时恢复最大值：

Minister – for visiting locations while playing cards
大臣 – 用于在打出卡牌时访问地块

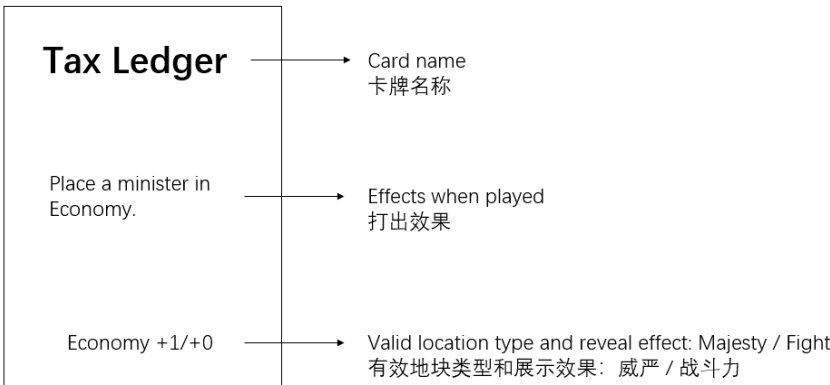

III. Decrees / 法令

You rule by decrees (cards). Play a card, select a valid location, send a minister to that place and trigger the related effects – These are the basic moves of the game.

你靠法令（卡牌）统治。打出一张牌，选择一个有效地块，向那个地点派出一位大臣并触发相关效果 —— 这就是本游戏的基础操作。

1. Default Cards / 初始牌

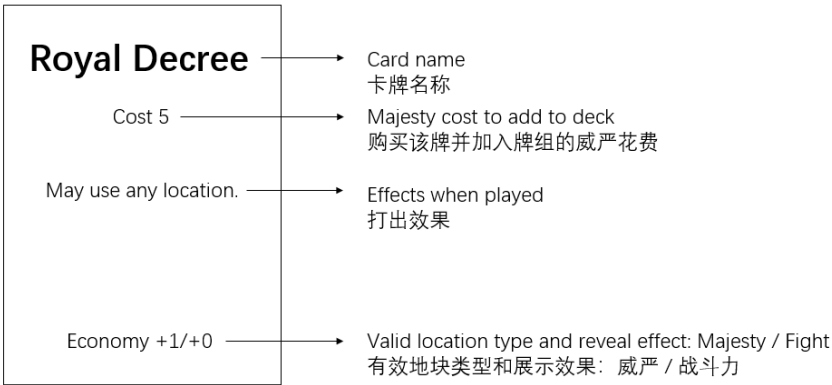

These cards are in your deck at the beginning of a game.
这些卡牌在游戏开始时就在你的牌库中。

2. Royal Cards / 皇家牌

These cards are unlocked during Reveal Phase. Use your Majesty to buy them and add them to your discard pile.

这些卡牌在手牌展示阶段解锁。使用你的威严将它们购买并加入弃牌堆。

IV. Gameplay / 流程

1. Draw Cards / 抽牌

Draw 5 cards from the deck at the beginning of a turn. Once the deck is empty, move the discard pile into the deck and shuffle.

每回合开始时抽 5 张牌。当牌库抽空时，将弃牌堆洗入牌库。

2. Event Phase / 事件阶段

Draw an event. Decide on how to respond to the event and activate the mission of the turn.

抽取一个事件。决定如何应对这个事件并激活本回合的任务。

3. Play Cards / 出牌阶段

Play your cards. Each time you play a card, you assign a minister to a location at the same time,

出牌。你每次打出一张牌，都会同时分配一位大臣到地图上的一个地点。

4. Reveal Phase / 展示阶段

Reveal the cards that remain in your hands and gain Majesty & Fight from them. Buy / Delete cards with Majesty. Fight will be consumed in missions with Military Strength costs.

展示你手中未打出的卡牌并从中获得威望和战斗力。用威望购买新卡牌或删除卡牌。战斗力则会在需要消耗军力的任务中生效。

5. Mission Resolution / 任务阶段

Choose to accept or refuse to complete the mission generated in the beginning of the turn.
Face the consequences and enter the next turn.

选择同意或拒绝完成回合开始时生成的任务。面对任务结果，然后开启下一个回合。
